

# Find More Illinois Working Group

---

## Membership and Voting

- Appointed by the Resource Sharing Committee chairperson for the entire period of the working group
- Voting members include one representative from each consortium in the Find More Illinois (overlay) pilot project, plus two representatives from libraries with standalone integrated library systems.
- Alternates and proxy votes are not allowed.
- Ex officio members are the RAILS Associate Executive Director; Director, Technology Services; Technology Special Projects Coordinator; Resource Sharing Specialist; and the Resource Sharing Committee chairperson. Ex officio members do not vote.

## Charge

- Assist with evaluation and refinement of the Find More Illinois pilot project
- Provide advice and feedback on the development of best practices, policies, and a membership fee structure for future expansion of Find More Illinois

## Time Period

The Find More Illinois Working Group will continue until the project is past its pilot period or until the project is deemed infeasible and RAILS removes it from its plan of service.
