The City of Naperville has awarded a Cooperative Job Order Contract to F.H. Paschen, for use by other jurisdictions in Illinois pursuant to 30 ILCS 525 (Procurement #11-082). This contract can be used to quickly order repair or alteration construction services, making Paschen your on-call contractor at competitive prices. The contract is available to public entities across the state including cities, counties, colleges & universities, municipalities, and public school systems. This contract, which began in 2011, has been extended through June 2019.

Through the eziQC program developed and implemented by Gordian, our team is dedicated to helping you eliminate weeks and months of time in the procurement process while providing a solution for emergency work and projects with strenuous circumstances. In the upcoming issues of this newsletter, we will highlight featured projects, welcome new users, and provide helpful updates for your construction needs.

DO I NEED TO BID THIS PROJECT?

No, the City of Naperville has already procured and competitively awarded a JOC contract to F.H. Paschen. Pursuant to 30 ILCS 525, all jurisdictions in the state have the ability to utilize this contract, provided the public sector does not have any individual restrictions. The time you would typically spend on preparing a bid package, advertising, and awarding has already been done for you.

WHY IS THIS CONTRACT USEFUL TO ME?

Procurement procedures are major contributors to overhead and require significant staff resources. By utilizing the JOC contract that has already been competitively bid and awarded, you will save time and money typically put into the conventional bid process, while still adhering to Illinois Procurement Code.
