The screenshot shows the homepage of the Find More Illinois website. At the top, the logo reads "FIND IT. CLICK IT. GET IT. Find More Illinois". Below the logo is a navigation menu with buttons for Home, About, Pilot, Join, Support, Catalog Search, and Login. A search bar is present with the placeholder text "Search the Find More Illinois Catalog" and a "Search" button. The main content area contains the following text: "Search multiple Illinois library catalogs at once, log in to place a request, and pick up items at your local library. Find More Illinois is in a limited pilot phase, with 21 participating libraries across three Illinois library consortia. Participation will be opened to more libraries in fall 2018." Below this text is a map of Illinois with 21 orange location pins indicating participating libraries. A small text block above the map states: "The pilot stage of Find More Illinois began in early 2018 with 21 libraries from I-Share, PrairieCat, and Rock River Library Consortium."

The screenshot shows a search results page on the Find More Illinois website. The browser address bar shows the URL "https://findmoreillinois.auto-graphics.com/mvc/". The search bar contains the query "all the pretty horses". The page header includes "Kankakee Public Library" and "Participants". The main content area features the same "FIND IT. CLICK IT. GET IT. Find More Illinois" logo and the introductory text: "Search multiple Illinois library catalogs at once, log in to place a request, and pick up items at your local library. Find More Illinois is in a limited pilot phase, with 21 participating libraries across three Illinois library consortia. Participation will be opened to more libraries in late 2018." At the bottom of the page, there is a footer with the text: "Funding for the Find More Illinois pilot is provided by RAILS through the Illinois State Library and the Secretary of State from revenue appropriated by the Illinois General Assembly or granted under the Federal Library Services and Technology Act." and a version number "v5.9.28.11".

This is a screenshot of a web browser displaying the Find More Illinois website. The browser's address bar shows the URL "https://findmoreillinois.org". The website's header includes the "FIND IT. CLICK IT. GET IT." tagline and the "Find More Illinois" logo. Below the header is a navigation menu with links for "Home", "About", "Pilot", "Join", "Support", "Catalog Search", and "Login". A search bar is prominently displayed with the placeholder text "Search the Find More Illinois Catalog" and a "Search" button. Below the search bar, there is a brief description of the service: "Search multiple Illinois library catalogs at once, log in to place a request, and pick up items at your local library." It also states that the service is in a "limited pilot phase" with 21 participating libraries across three consortia, and that participation will be expanded in fall 2018. At the bottom of the page, a map of Illinois is shown with several orange location pins indicating the pilot sites. The map covers a large portion of the state, from the northern border near Lake Michigan down to the southern border, and from the western border to the eastern border.
