### Description

Community Consolidated Schools District 168 serves three schools: one junior high and two elementary schools. I visited each of these schools on the morning of Wednesday, September 11, 2019.

The district serves approximately 1,400 students. Most of the students live in Sauk Village, Illinois. According to the Illinois State Board of Education, 45% of enrolled students live in low income households. The middle school and the two elementary schools each have a library staffed by a full-time or part time librarian. Each of the libraries is open more than 15 hours per week.

The school district is interested in obtaining RAILS membership in order to access delivery, continuing education, and grants including Illinois State Library grants. The library already has a relationship with the local public library, the Nancy L. McConathy Public Library District.
