TO: RAILS Consortia Committee
FROM: Anne Slaughter
SUBJECT: Discovery platforms

Aaron Skog, SWAN Executive Director, requested that the committee discuss the current state of discovery platforms. He has provided the following information and discussion questions.

Library consortium	Current Public Catalog	Future Public Catalog	Mobile app
CCS	PowerPAC	In III Development Partner Program for Vega Discover	Library choice
Pinnacle	PowerPAC	In III Development Partner Program for Vega Discover	Library choice
PrairieCat	Encore	In III Development Partner Program for Vega Engage	Capira (library opt-in)
Rock River	TLC LS2 PAC		
RSA	Enterprise		Solus/BLUEcloud Mobile
SHARE	PowerPac	investigating options	Solus
SWAN	Enterprise	moving to Aspen Discovery	Solus/BLUEcloud Mobile (all) & library choice
CARLI	Primo VE (recently switched to)		

Some questions for discussion:

1. What has your experience been within the software development for the new public catalog?
2. Which features are of most value to your group?
3. Are there costs or commitments to purchase?
