Description

Creve Coeur School District 76 is located in Creve Coeur, Illinois. There are two schools, a middle school and an elementary school. Only the middle school has a library – the elementary school is located across the street from the public library. The middle school serves approximately 270 students. According to the Illinois State Board of Education (ISBE) around 75% of students in the district are designated as low income.

The district is interested in joining the Resource Sharing Alliance (RSA). They have spoken with Greg Weydert, the director of Creve Coeur Public Library, who is helping them with the RAILS Catalog Membership Grant. They are also interested in potentially joining eRead Illinois and exploring other RAILS deals & discounts.
