## TO: RAILS Board

## FROM: Monica Harris, Associate Executive Director

## SUBJECT: RAILS Organizational Chart and Pay Grade Assignments FY2023

In your packet you will find the proposed updates to the RAILS Organizational Chart and RAILS Pay Grade Assignments, per the FY2023 budget approved by the Board.

Please note that due to space limitations, the Organizational Chart is not strictly hierarchical. Double borders on the chart indicate supervisory responsibility.

The proposed changes to the RAILS Organizational Chart and Pay Grade Assignments are:

- The addition of a Digital Communications Specialist (pending), who will report to Mary Witt, Director of Marketing and Communications
- The addition of a Consortial Services Supervisor (pending), who will report to Anne Slaughter, Director of Technology Services
- The addition of a Data Research Specialist (Janette Derucki), who will report to Grant Halter, Data Analysis Manager
- After an outside analysis of the job description by HR Source, the position of Human Resources Coordinator was reclassed from a Pay Grade 4 to Pay Grade 6 and the FLSA status was changed to Exempt from Nonexempt.
