7.1. Resource Sharing Committee and Find More Illinois

Harris reviewed the Resource Sharing charge and affirmed that Find More Illinois falls under the scope of that committee's charge, which is appropriate because Find More Illinois participants aren't limited to LLSAP members, and the service has particular benefit to standalone libraries. Moving forward, detailed updates and discussions will take place with the Resource Sharing Committee. The Consortia Committee will still be provided with regular updates on Find More Illinois. It was also suggested that the Resource Sharing Committee should receive updates from Consortia Committee discussions. The Resource Sharing Committee's next meeting is set for August 8.

8. Unfinished Business

8.1. LLSAP Sustainability Working Group developments

Brennan summarized the LLSAP Sustainability Working Group developments. The working group discussions were useful, and led to revising and strengthening the Catalog Grant application criteria and recognizing the need to focus on working with RSA on a transition plan for greater independence and sustainability.
