RAILS Board Committee Reports

Resource Sharing Committee Report - Chair Becky Spratford

The committee met on August 8, 2022 / The next meeting is on November 14, 2022

Becky Spratford welcomed the committee as the new chairperson of the Resource Sharing Committee. Julie Milavec, RAILS Board, Guillermo Gasca, Morton College, and Annie Miskewitch, Schaumburg Township District Library joined the committee as new members. Monica Harris gave a RAILS Report with a focus on resource sharing initiatives that fall within the four strategic goals of the new RAILS Strategic Plan. Anne Slaughter gave a comprehensive presentation on Find More Illinois. Mark Hatch gave a presentation on the RAILS' delivery service. Harris encouraged the committee members to review the RAILS Strategic Plan and the RAILS Resource Sharing plan to familiarize themselves with the documents. Both of the plans are important guiding principles for RAILS. At the next committee meeting there will be an opportunity for committee members to suggest any updates to the RAILS Resource Sharing Plan, which was last updated in 2018.
