Description

General George Patton School District 133 is located in Riverdale, IL. The district consists of one school, PK-8. The district has a total enrollment of around 210 students. Based on Illinois State Board of Education statistics, 83% of students are categorized as low income.

The school district was previously a library system member but withdrew due to not having a staffed library. This was around a decade ago. The school has not had a staffed library during this time. The library was previously automated (Alexandria) but did not have the funding to continue the automation. The librarian, Sabrina Hawthorne, is looking to rebuild the collection, re-start an automation program, and give kids access to e-books/audiobooks.
