### Description

Horizon Science Academy is a K-12 charter school located in the city of Chicago. The school has a total enrollment of 866 students. According to ISBE, 99% of students in the district qualify as low-income students.

Madeline Manzella is the school librarian. She attended the 2023 AISLE Annual Conference where we spoke about RAILS membership. The school is interested in joining RAILS to be eligible for grants, support for e-books, continuing education, and deals & discounts.
