The ILA Legislative Meetups will be held in person during November and December at locations throughout the state. Committee members are encouraged to attend these meetings. The ISLAC (Illinois State Library Advisory Committee) members discussed the draft of Public Act 103-0100. Libraries would be asked during the certification process to check a box to adopt the ALA Bill of Rights or provide their written policy or procedure prohibiting the banning of books. Anne Slaughter (RAILS) and Troy Brown (IHLS) gave a presentation at the ILA President's program on the broadband initiative. The bill to raise the competitive bidding threshold for libraries in Illinois is moving forward. Bill language has been filed for the amendment to the Acquisition of Treasurer Bonds for libraries. The committee had discussions concerning the Equitable Access to Electronic Materials act. The Paid Leave for All Workers Act and the possibility of exemptions for government entities were a topic of discussion. On the federal level, ILA will be looking for changes introduced by Speaker Giannoulis. An advocacy workshop will bring together state advocacy chapters to discuss current library issues.

### 7.2. AISLE Advocacy Committee Report
