

IACRL DEI Committee

December 2023 Report

- The committee met on October 31, 2023. Discussion centered around topics that were brought up at ILA's annual conference, including censorship in academic libraries, decolonization in libraries, and more.
- The committee is still planning a DEI-focused program for ILA's 2024 conference and brainstorming ideas.
- The committee hopes to contribute to ILA's DEI toolkit by compiling a list of scholarship and grad school funding opportunities for marginalized communities.
- The committee also discussed compiling a list of free DEI-related webinars to share.
- There was also discussion on how to work with indigenous groups beyond land acknowledgements, and there are plans to reach out to some indigenous groups to discuss this.
