

IACRL DEI Committee

June 2024 Report

- The committee met on March 26, April 30, and May 28, 2024.
- The committee is hoping to do a poster session at the ILA annual conference. The topic will be high-impact initiatives that are easily facilitated by library staff.
- The committee hopes to host webinars in Spring of 2025. Possible topics could include how library workers in academic settings can approach their administrators about purchasing DEI materials, as well as collection development that best serves specific college and university communities.
- Jackie Zook will continue as chair of the committee for 2024-2025.
