TO: RAILS Board Consortia Committee
FROM: Anne Slaughter, Director of Technology Services
SUBJECT: FY2027 Meeting Schedule

In April, the Committee decided to approve the July meeting date and consider a revised proposed schedule for the rest of FY2027 at this time.

Since then, RAILS has decided to realign all Board Committee meeting schedules to avoid common recurring conflicts and issues such as meetings held in July before that fiscal year's Board Committee Chairs and representatives have been designated. As a result, the attached proposed schedule reflects a new annual cadence with meetings generally occurring on the second Mondays of August, November, February, and May. For FY2027, we will not meet in August, and the new cadence will begin with the next meeting in November.

We appreciate your understanding and look forward to discussing any questions you may have.
