SUBJECT: Consortia Staff Email List Idea

At the April meeting, a suggestion was made to establish an email list for consortia staff. We wanted to invite some further discussion on this idea to help us follow up on it most effectively. We'd appreciate the opportunity to clarify any thoughts on the items below, and welcome other ideas you may have for supporting consortia staff community-building.

- Scope of audience
- Moderator/designated point person
- Support needed from RAILS
- Relationship to existing Consortia Managers LISTSERV
- Possibility of establishing a [RAILS Networking Group](#)
